Academic Projects

Practice Teaching – Chethana Vidya Mandira, Batawadi, Tumkur
As part of my practice teaching program, I taught students of the 6th standard at Chethana Vidya Mandira, Batawadi, Tumkur. This experience helped me apply teaching methods learned during my training in a real classroom environment. I planned and delivered lessons, interacted with students, and used suitable teaching aids to improve learning. The practice enhanced my classroom management, communication, and instructional skills. Overall, it provided valuable hands-on experience and strengthened my confidence as a future teacher.
