Through IQAC of the college

Respected Sir

Subject: Requisition for the celebration of World Environmental Day on June 5th.

The Department of Botany and Microbiology is willing to organize a celebration of World Environment Day on June 5th at our college to educate the students about the importance of environmental conservation and to encourage sustainable practices within our college community. These activities will not only make the celebration engaging but will also instill a sense of responsibility towards the environment among the students.

I kindly request your approval to proceed with the planning and execution of these activities. We look forward to your positive response.

Thanking you

Yours faithfully

REPORT

5-6-2024

The department of Botany and Microbiology organized World Environment day Celebration at our college on 5-6-2024.at 10.A.M .The guest of the program was Mr.Vishwanatha .P.D. Asst director of Horticulture . The celebration was done with great enthusiasm and commitment to raising awareness about environmental conservation .the event saw active participation from students ,Faculty members and other staff highlighting the collective effort to promote sustainable practices and environmental Stewardship.The Resource person Sri.Vishwanatha.P.D Inaugurated the Program and spoke on importance of environment and also gave the knowledge of Terrace Gardening.A significant part of the celebration was the tree plantation at our campus, aiming to enhance the green cover and Biodiversity. The college plans to continue such initiatives, reinforcing its commitment to environmental conservation and education.
