

**22-03-2024: Awareness march on "Save Water Save Life".**

On the occasion of World Water Day, an awareness march was conducted by National Service Scheme Units (NSS) of our college on 22-03-2024. The purpose of this march is to sensitize students and masses about the conservation of water which is a precious resource and should be conserved for future generations also. The march was organised under the guidance of the principal of the college. The students prepared placards, slogans and banners. With full energy students participated in this campaign and spread awareness for conservation of water and also how to minimize the use of water. The main objective of the save water campaign was to increase awareness of students and people about the scarcity of clean water and sensitize them about the conservation of water, a precious resource. The campaign aimed at reducing everyday water usage rate due to the water crisis in the world.

With this campaign students and masses were sensitized about the importance of every drop of water and ways to conserve water also reduce the wastage of water to overcome the consequences of scarcity of water which will be faced by people in future.

**Route of the march:** SSCASCW (Start) - Town Hall - Tumakuru Govt Bus Stand - Government Hospital – SSCASCW (End)
