IQAC

Subject: Request for Conducting Certificate Bootcamp on 'Getting Started with Artificial Intelligence (AI)' for BCA I & II year students

Sir,

On behalf of the Career Guidance and Placement Cell, request your permission to conduct Certificate Bootcamp on 'Getting Started with Artificial Intelligence (AI) for BCA I & II year students.

Making many students industry-ready is a key priority for every forward-looking institution. At our college with the support of a visionary leadership team, the management has consistently worked towards creating impactful learning opportunities for students.

I therefore request you to grant permission to organize this Certificate Bootcamp on 'Getting Started with Artificial Intelligence (AI)' at the earliest for the benefit of the students.

Thank you.

Regards,

Dr. Arunkumar Nooli

Convener, Career Guidance & Placement Cell

Report on Certificate Bootcamp

Getting Started with Artificial Intelligence (AI)

A Certificate Bootcamp on "Getting Started with Artificial Intelligence (AI)" was successfully conducted on 22nd December 2025 at 11:00 a.m. in the Akkamahadevi Seminar Hall. The programme was organised with the objective of introducing students and faculty members to the fundamentals of Artificial Intelligence and its growing relevance in various fields.

The bootcamp began with a brief inaugural session, during which the importance of Artificial Intelligence in today's digital era was highlighted. The resource person introduced the concept of AI, its evolution, and its significance in transforming industries such as healthcare, education, business, and technology.

During the technical sessions, participants were familiarised with the basic concepts of Artificial Intelligence, including machine learning, data-driven decision-making, and real-world applications of AI. The speaker explained complex ideas in a simple and engaging manner, making the session highly informative even for beginners. Practical examples and case studies were used to help participants understand how AI is integrated into everyday life.

The session was interactive, encouraging participants to ask questions and share their views. The doubts raised by the participants were addressed clearly, which enhanced their

understanding of the subject. The bootcamp also motivated students to explore further learning opportunities in AI-related fields.

The programme concluded with a vote of thanks, acknowledging the efforts of the organisers, the resource person, and the participants for making the event a success. Overall, the certificate bootcamp was highly beneficial and provided valuable insights into Artificial Intelligence, inspiring participants to develop interest and skills in this emerging technology.
