**EVALUATION OF TEACHERS BY THE STUDENTS
FEEDBACK ANALYSIS REPORT 2025-26**

Teacher evaluation by students is an important component of the quality improvement process in education. It provides valuable insights into the effectiveness of teaching, classroom interaction, communication skills, subject knowledge use of teaching methods and the overall effectiveness of the teacher.

Student feedback helps teachers understand their strengths and identify areas that need improvement. This report summarizes the findings of the recent evaluation of teachers conducted by students at SSCASCW.

The main aim of evaluating teachers by students is to access and improve the quality and effectiveness of teaching learning process through constructive student feedback.

A Teachers council meeting was conducted under the chairmanship of the respected Principal. Smt.Vijayalatha R.s was nominated as the convener of the feedback committee. The convener was authorized to nominate members to the committee.

The Convener and members of the committee visited various classes during the 2nd week of April 2026 and collected the names of the teachers handling each section and their respective subjects. The initials of the concern teachers, section wise, were included in the questionnaire format through Google form. The survey included questions related to teaching methods, communication, student engagement, and overall satisfaction. Later the convener and committee members visited each section and explained to the students, the importance of providing feedback and how to rate the teachers on a four point scale 1. EXCELLEN, 2. VERY GOOD, 3. GOOD, 4. SATISFACTORY.

Students were asked to complete anonymous surveys, provide feedback on various aspects of the teacher performance. They were also instructed to evaluate the teachers honestly and judiciously. The response were collected electronically through Google forms and subsequently analyzed.

Report:

It was found that almost all students were satisfied with the performance of teachers with respect to all the criteria. Table showing the scores of all the teachers under each criterion and across different classes is included in this report.

The compiled report was submitted to the principal for suggestions, guidance and necessary action to further improve the Teaching learning evaluation process (TLE) .

Action taken:

1. The Report was kept in the principal chamber for few days for observations and review of teachers performance.
2. Teachers whom scored below the expected level were advised by the Principal and other teachers to improve their teaching learning evaluation practices and Teaching effectiveness. Instructed them to improve their TLE ability.
