Date and Venue: November 05, 2025, Akkamahadevi Seminar Hall, Sree Siddaganga College of Arts, Science, and Commerce for Women, Tumkur.

Introduction

The Department of Sociology, in collaboration with the Internal Quality Assurance Cell (IQAC), Sree Siddaganga College of Arts, Science, and Commerce for Women, Tumkur, successfully conducted a Special Lecture on “**Education and Social Mobility**”. The program aimed to enlighten students on the role of education in fostering social mobility, addressing inequalities, and empowering individuals to overcome socioeconomic barriers, thereby promoting equitable opportunities and sustainable development in society.

Proceedings of the Event

The program commenced with an invocation by **Kum. Shahistha Banu**, a student of III B.A., setting a reflective tone. This was followed by a welcome address delivered by **Dr. Jagadeesha M**, Head of the Department of Sociology. **Kum. Divya M**, a student of III B.A., introduced the distinguished guest speaker.

Dr. A. R. Mahesh, Professor and Head, Department of Sociology, Maharani Cluster University, Bangalore, delivered an enlightening lecture on “**Education and Social Mobility**”, engaging the audience with profound insights. **Dr. Sheela K. P.**, Head of the Department of English and IQAC Coordinator, addressed the gathering and emphasized the importance of such educational initiatives in enhancing institutional quality.

The presidential address was delivered by **Dr. H. M. Dakshinamurthy**, Principal of Sree Siddaganga College of Arts, Science, and Commerce for Women, Tumkur, who underscored the critical role of education in shaping responsible citizens and bridging social divides.

Key Highlights of the Lecture on Education and Social Mobility

Dr. A. R. Mahesh provided a comprehensive overview of education as a catalyst for social mobility, defined as the ability of individuals or groups to move up or down in social class or economic status. She highlighted how education serves as a key equalizer, breaking cycles of

poverty and discrimination, while stressing the need to address systemic barriers. Key points discussed included:

- **Access to Education:** The importance of equitable access to quality education at all levels—from primary schooling to higher education—as a fundamental right that empowers marginalized communities, including women, rural populations, and low-income groups.
- **Barriers to Mobility:** An in-depth discussion on obstacles such as economic disparities, gender biases, caste-based discrimination, and inadequate infrastructure, which hinder social progression, with examples drawn from both Indian and global contexts.
- **Economic and Social Impacts:** Emphasis on how educated individuals contribute to economic growth, innovation, and social cohesion, thereby reducing inequality and fostering sustainable development.
