# DEPARTMENT OF PHYSICS

## REPORT ON GUEST LECTURE

Date:17/12/2025

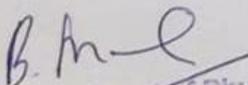

The Department of physics SSCASCW Tumkur, organised **Guest lecture** on **"Physics in daily life"**. This program was inaugurated by Dr.G Ramakrishna Associate Prof. Department of physics, University science college, Tumkur.

In his inaugural speech, he eloquently highlighted the significance of science and its real-world applications, with a special focus on physics. He emphasized that physics is not just a theoretical subject but something that can be easily grasped when connected to everyday experiences. By illustrating key concepts through hands-on experiments, he demonstrated how physics is all around us, from the simple actions we perform daily to the complex technologies we rely on. His approach not only made the subject accessible but also showcased the practical value of understanding the physical world. Through this interactive method, he inspired the audience to see physics as something engaging and relevant to their own lives.

Nearly 88 students participated in this program. This program was welcomed by Dr.B Marappa, HOD Dept. of physics SSCASCW, Tumkur. The guest introduction was done by Arunakumar R. Our principal Dr.Dakshinamurthy was the president of the program. The program was ended by the vote of thanks by the Prathibha.B Dept.Of physics SSCASCW, Tumkur.
