DEPARTMENT OF ENGLISH

Report on "WHAT DOES IT MEAN TO BE A STUDENT OF OPTIONAL ENGLISH?"

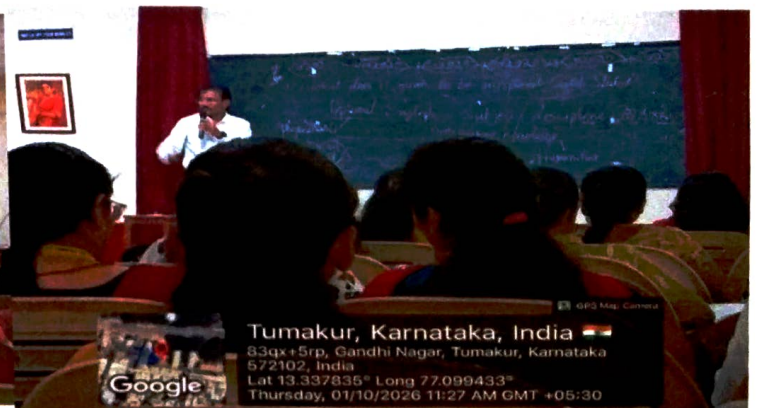

The Department of English organised an invited talk on "What Does It Mean to Be a Student of Optional English?" for the students of Optional English.

The resource person highlighted the importance of studying English language and literature beyond examination purposes. The talk focused on reading habits, communication skills, critical thinking, creativity, and career opportunities available to students of English. Students were encouraged to actively participate in discussions, presentations, and literary activities.

The session was interactive and informative, with students actively participating and clarifying their doubts. Outcome

The talk helped students understand the academic value and wider scope of Optional English. It motivated them to develop regular reading habits, improve communication skills, think critically, and explore higher studies and career opportunities in English.

The programme was successful and beneficial to the students.
