THE DEPARTMENT OF BOTANY AND MICROBIOLOGY

REPORT ON INDUSTRIAL VISIT TO CHROMED BIOSCIENCE PVT. LTD. AND KRISHI VIGYAN KENDRA, HIREHALLI, TUMKUR

The Departments of Botany and Microbiology of Sree Siddaganga College of Arts, Science and Commerce for Women, Tumkur, organized an industrial visit to **Chromed Bioscience Pvt. Ltd., Industrial Area, Hirehalli, Tumkur**, on 16 May 2026. A total of 42 students accompanied by four faculty members participated in the visit.

The main objective of the industrial visit was to provide students with practical exposure to the biotechnology and bioscience industry and to help them understand the application of theoretical knowledge in real-world industrial settings. The visit offered an opportunity for students to gain insights into industrial practices and the relevance of biological sciences in research and industrial applications.

During the visit, students had the opportunity to learn about the industrial environment and the role of bioscience-based industries. The interaction helped them understand the importance of practical knowledge, technological advancements, and career opportunities in the fields of Botany, Microbiology, and biotechnology.

On the return journey, the group also visited **Krishi Vigyan Kendra (KVK), Hirehalli, Tumkur**. This visit provided students with an opportunity to learn about agricultural research, scientific farming practices and the application of biological knowledge in agriculture. The visit also helped students appreciate the importance of agricultural extension activities and the transfer of scientific technologies to farmers.
