Department of Commerce

In Association with IQAC

Report on "New Product Development "

A Skill Development Activity

The Department of Commerce organized a skill development activity titled "**New Product Development**" for **First Year B.Com** students on **7th November 2026**, from 12.**30 p.m. to 2.30 p.m.** The activity aimed to encourage students to develop creative and innovative product ideas and gain practical exposure to the process of new product development by designing and presenting their own product models and charts.

The activity provided an opportunity for students to explore new ideas, identify everyday needs and develop innovative solutions. It also encouraged them to think creatively, work collaboratively and understand the importance of innovation and entreprencurship in business.

Objectives of the Activity

- To introduce students to the concept and process of new product development.
- To develop creativity and innovative thinking among students.
- To encourage students to identify everyday problems and develop suitable product solutions.
- To promote entrepreneurial thinking and problem solving skills.
- To develop teamwork, communication and presentation skills.
- To connect classroom learning with practical applications.

Highlights of the Activity

The activity witnessed the enthusiastic participation of First Year B.Com students, who worked in teams and presented their innovative product ideas through creative 3D models and charts.

The students explored various product ideas under themes such as Eco-friendly Products, Food and Beverage Products, Home Utility Products, Beauty and Personal Care Products, Creative and Innovative Products and Recycled and Waste-to-Wealth Products.

The students explained the features, uniqueness, utility and benefits of their products. This activity provided a platform for students to showcase their creativity, identify customer needs and understand the practical aspects of new product development

The respected Principal, Coordinator of Sree Siddaganga Degree Colleges, IQAC Coordinator, IQAC Co-coordinator, Heads of various Departments and faculty members from other departments visited the exhibition, interacted with the students and appreciated their creativity, innovative ideas and efforts.
