Study visit

Date- 12-07 -2023

One day Study visit to vidhana soudha – Bangalore

As per the curricular aspects, a one day visit was organised from the department of Political science for Students to attend legislative assembly on 12-07-2023 session on students of BA and Bsc enthusiastic to have a glance of the members of the Legislative assembly , the sessions, proceedings the ministers, people's representatives, the role of the opposition party and many such important activities in the legislative assembly held up. Around 60 students gathered at 7-30 AM on 12-07-2023 at the college campus, with Ms. Pavana B S ,Dr. Sannaswamy from the department of political science took the initiative of arranging this one day trip . Ms. Divya K from department of English accompanied the group.

Firstly after crossing all the security levels the students were able to witness the actual assembly session at 12:30 PM students were able to see the chief Minister of Karnataka Sri Siddaramaiahji answering the questions to the members of the opposition. The students were allowed to reside there for around 25 minutes. As there were students from various schools and colleges, the scheduled time was limited. After Legislative assembly, Legislative council session was in progress. In next 45 minutes, after a Photo session information of Vidhana soudha , the mega structure one kind of its own, next destination was Nehru Planetarium. and by 3-30 PM the students were taken to the Nehru Planetarium, there was a film show till 4-30 PM. Coming out of the Nehru Planetarium students were then taken to a spiritual point ISKON temple which was the last destination.

Students had an Political visit, a journey to galaxy to keep us going. It is the practical exposure away from the classroom activity. All the students reached home safely after a day long trip and were able to understand practically the functioning of the political system.
