## .Department of Sociology

### Visit to District Hospital, Tumkur on 21-09-2022

One day visit to the District Hospital, Tumkur was organized by the department of Sociology for students of Sociology Specialization. Students at the adolescent age are unaware of various diseases, health facilities for poor patients provided in the government hospital, Medicines, treatments were the objectives to take the students on a visit to the government district hospital on 21-09-2022.

As the visit was planned and priory uniformed to the authority. Dr.Chandan, DMO (Duty Medical Officer) guided and educated the students regarding the students regarding the basic facilities like first-aid, Out Patient Department (OPD). The general wards, semi special wards, Intensive Care Unit (ICU) Pediatric wards, neo-natal centre, burn wards, body's ward, children's ward, emergency entry. He also updated the students regarding the government benefits availed by the patients under the BPL card.

The students had the opportunity to visit the operation theatre, x-ray unit, scanning machine and other medical accessories in the hospital. As our students are basically from the rural background, the visit to the district hospital updated them with the amenities availed by the economically backward people, need for medical aid during emergencies.

One of the best district hospital in the state students of arts stream were able to know more about the hospital, treatment, diseases and patients. Dr. Chandan provided the details of the medicines prescribed free to the patients and the injections (antibiotics and vaccination) freely given to the public. Who come to the government hospital for treatment for any diseases. The students were privileged to the glance at the patients of treatment of dialysis, oncology, neuro surgery and various injuries. The students were assembled at the college
