## **Orientation program (2019) on the topic entitled “ How to do research Work”**

An orientation program on the topic entitled “ How to do research work” was conducted for the final year B.Sc. (CBZ, CBBT and CZM) at seminar hall, Siddaganga college of Arts, Science and Commerce for Women on 26-07-2019.

The coordinator of this program was Prof. Chidananda Murthy. G, HOD of Botany and Microbiology. Mrs Smitha N, Deepti Harish and Asharani JB were the team members. The function was presided by Prof. Jayaswamy KC, Principal, SSCASCW, Tumkur.

The program was commenced by Prof. Chidananda Murthy G by inviting the Principal, members and the students along with the resource person. Prof. Jayaswamy KC, Principal, gave the presidential address.

The session was led by Dr Ashwathanarayana R, Guest Faculty, SSCASCW, Tumkur, was the resource person provide valuable information on how to do the research work and what are the objective and methodologies in it. The students get useful information about the basic steps in beginning the research work. Dr Ashwathanarayana R, give vast information about different steps in research along with the visual data about collection the research data, introduction, review the research article, official websites where students can get scientific publication and research papers, how to plan the methodology, how to record the results, along with the brief information on summary, conclusion and bibliography on individual research topic.

The students interacted with the resource person and got valuable information and solution for their research problems. Many of the queries were answered in this program. The purpose of the program was to educate the Undergraduate students about what is research and provide clear idea on the outline of scientific research. The information provided by the research person will definitely give clear picture on what is scientific research and gives a clear picture for the students who choose research as their carrier.
