

ACTIVITIES OF THE DEPARTMENT

A brief activity report will be maintained by the department every year to keep track of the yearly activity. This ensures the scope for development and progress in the field of the department to be undertaken from the department.

In the year 2018 on 17 September seminar was organized pertaining to the co-curricular activity prescribed by the college guidelines on the topic “AGING”.

A Guest lecture on creating awareness on Breast Cancer was held on 17-12-2022 organised by the Department of Zoology and Biotechnology from 11.00am to 1.00pm in the Akkamahadevi seminar hall SSCASCW Session went on for an hour which was engaged by Dr Swetha with some fundamental information through projecting videos and slides, Session included, how women could self examine for breast cancer and was also informed about the treatment for the same.

Department of Zoology has organized a talk on Biodiversity in Tumkur District on the occasion of International Day for Biodiversity on 22 May 2023 at 11 am in Akkamahadevi Seminar hall.

Resource Person for the Programme was Sri Gundappa B.V. (Green master) Chairman wild life aware Nature Club Tumakuru and the chief guests were Sri Ravishanker S. Project Officer CPR Environmental Education Center.

Next valuable hour was engaged by Resource Person Sri B.V.Gundappa Spoke about our rich Biodiversity Species, Classification, Indigenous, Endangered, Extinct Species, Sanctuaries & National Parks which are located in India.

The Department of Zoology and Biotechnology has organised a Guest Lecture on the topic - “**Plant breeding and its applications in Biotechnology**” by the Resource Person Dr.Sharath Chandra, HOD PG Department of Biotechnology and Microbiology, Tumkur University, Tumkur on 15-12-2023 at Akkamahadevi Seminar hall.

He explained about Plant breeding with Powerpoint presentation, about the evolution of angiosperm plants, plant breeding techniques, and the commercial applications of plant breeding. He also briefed about the sources and advantages of biofuels.

The Department of Zoology has organised a seminar on the topic – “Migratory Behavior in fishes” by the Resource Person Dr.Satishagouda S. Assistant Professor Government Science College Chithradurga. on 19-12-2023 at Akkamahadevi Seminar hall.

Like every year for the enhancement of knowledge, students of III BSC of ZOOLOGY are taken for educational trip. This year the trip was conducted on 20-06-2024 to Bandipur National Park.

The faculties also participate in the institutional activities and are with the highest level of enthusiasm and urge to learn the upgraded level of knowledge. They also take up the positions of different committee members in order for the betterment of the institution.

Sree Siddaganga college of Arts, Science and Commerce for women

DEPARTMENT OF ZOOLOGY

FUTURE PLANS

- **To organize National/ International level conference.**
- **To increase Nature Trails.**
- **To start Certificate courses.**
- **To organize programs on Personality development.**
- **To organize competitive classes.**
- **Inclusion of some best practices like first aid practices and Blood Donation Camps for students.**
- **To organize science exhibition.**
- **To develop new Zoology labs as per with NEP syllabus.**
- **More Research oriented projects which is useful to the society.**
