INDUSTRIAL VISIT REPORT

We have a group of 25 students along with 2 faculties visited J.P Distilleries Kunigal for an industrial visit 20th February 2019. We started the visit from our college premise at 8 AM and reached the industry by 10 am. We got an overwhelmed welcome from the HR and management staff and provided refreshment drinks and snacks to students after snacks we started explore the industry, One of the industry staff joined us and taken us thru all the departments and explained in detail about the process that carried out in an each departments and we started with Molasses unit, then understand the culture maintenance lab, fermenter unit, beer production unit also got an opportunity to visit the biofertilizer production unit. We got an opportunity to experience the industry culture and how different departments coordinate with each other to produce the beer bottles, It was very knowledgeable visit since students got an opportunity to get practical knowledge and got an idea of how industries culture. Industries staff provided lunch to all the students and entire visit was an informative, interesting and successful also students glad about the industrial visit and we provided thankful notes to the Industrial staff at the end.
